OUR EXPECTATIONS

At Pleavin Power, we're looking for true **grafters** - people who thrive on hard work and take pride in delivering exceptional service to our customers. We're a close-knit, hands-on team that believes in showing up, putting in the effort and excelling together. All our roles are based on site with engineers being expected to travel across the UK. Commitment to high standards across the board is key. We don't do working from home because we know that success comes from all of us being in it together. While we set the bar high, we also take care of our team with great perks which increase with every year. At Pleavin Power, we want our people **feelin' powerful**.

COMPANY BENEFITS

- On-site Gym
- GSN Healthy Lunches
- Pre-loaded Expenses Cards
- Long Service Holiday Rewards
- Professional Development & Training
- Company Car**

THE STANDARD

- Any equipment you need for the job including a company phone, laptop, van and tools (role dependent)
- 28 Days Annual Leave
- Competitive Salary
- Pension Plan

MAKE A LASTING IMPRESSION

Like any successful business, we put a lot of thought into choosing the right people to join the Pleavin Power team. It's up to you to make your application/interview stand out. Here are some tips:

- Be yourself - we want to know you and your personality
- Construct clear and formal communications in your application
- Not heard back? Be sure to follow up with a phone call if you want to know where your application/interview decision is up to.
- Do your research into the business and the industry
- Showing up smart goes a long way
- Know that this isn't just a job, enthusiasm is key
- Have your questions ready. Want to know more about the role, benefits or future? Ask.
- Be ready to give some examples of previous work that backs up your CV
- We're very active on social media, keeping up to date may play to your advantage
- Be prepared to discuss your expectations (salary, hours etc)

A MESSAGE FROM OUR CEO

If you've made it through this presentation, you're already on the right track to craft a strong application for Pleavin Power. Building the best team in the industry is something I'm truly passionate about, and I hope you're the right fit to join us.

I founded this company at just 22 years old and from day one, our team has been grafting to prove that anything is possible. At Pleavin Power, every team member has the opportunity to build an incredible career and make their role their own. We value ambition, hard work, and fresh ideas - so if you're ready to bring your best, we're ready to back you.

Jack Pleavin
CEO
